

Marianna Rolle CV

I am a Chartered Clinical Psychologist with extensive experience in psychological assessment and intervention across children, adolescents, and adults. My main areas of specialisation include **ADHD, Autism Spectrum Disorder (ASD), and Learning Difficulties**, offering comprehensive evaluations and therapeutic support tailored to each individual's needs.

I currently practise at **The Hazelton Clinic (Cork, Ireland)** and collaborate with **MINDS (Dublin)** and **Apoyo Psicológico en Casa (Madrid)**. I hold a **Master's in General Health Psychology** from *Universidad Europea de Madrid* and a **BSc and MSc in Psychology** from *Universidad Metropolitana (Venezuela)*. I am also a **Chartered Member of the Psychological Society of Ireland** and a **Licensed Psychologist** in both Spain and Venezuela.

I am **certified in the administration and scoring of the ADOS-2** (TEA Ediciones) and provide bilingual psychological services in **English and Spanish**. My approach is neurodiversity-affirming and integrative, combining evidence-based therapies with executive function and emotional regulation strategies to promote long-term wellbeing and self-awareness.
